

# ICPC GLOBAL

## International Collegiate Programming Contest

The premier global programming competition conducted by and for the world's universities under the auspices of the ICPC Foundation and headquartered at Baylor University, advancing the art and sport of competitive programming

### Sharpen your Competitive Edge

ICPC Regional Season is quickly approaching! Check out our [Region Finder Map](#) and [Upcoming Regionals](#).

Train, practice, and perform with the world's greatest problem solvers at [ICPC.U](#). Check back often for ongoing learning activities to boost your algorithmic skills.

Check out problem sets, data and the nearly 3 million submissions using the [ICPC Problem Archive](#). Use [uHunt](#) for targeted skill practice and [uDebug](#) to verify your data and discuss solutions with the ICPC Community.

Check out strategies from our latest [ICPC U Alumni Lecture Series](#). New features added monthly!

### Learn about Sponsor Initiatives for ICPC Community

#### JetBrains

Join JetBrains for a deep dive into the Kotlin 1.4 release! Check out the exciting new Kotlin features and register for the dedicated online event: <https://kotl.in/release-1-4>

Please note that you can [get free access to all JetBrains IDEs](#) if you are a student or faculty staff member from accredited educational institutions. Also check out the [CLion](#), [IntelliJ IDEA](#), and [PyCharm](#) blogs to find out more about product updates in the latest releases. A special offer from [JetBrains Academy](#) for those who never stop learning: register at [JetBrains Academy](#) before October 1, 2020, and get 50% off the monthly subscription fee for the next 12 months!

#### IBM Q

Diving deep into quantum with the upcoming ICPC Challenge powered by IBM Q, on October 17, 2020! You will be provided additional training and learning materials in advance. For a quick start - try experimenting with quantum circuits or running experiments - [IBM Quantum Experience](#), the most widely used and accessible quantum cloud platform!

#### DEVIATION GAMES

We're thrilled to announce our partnership with [Deviation Games](#)! Deviation Games is looking forward to pushing the boundaries of interactive entertainment by engaging the brightest technical minds in solving the toughest real-time problems in the gaming space. Stay tuned for the upcoming online challenge in January 2021!

#### AWS Educate

AWS Educate is Amazon's global initiative to provide students and educators with the resources needed to greatly accelerate cloud-related learning and help power the entrepreneurs, workforce and researchers of tomorrow.

Why Join AWS Educate?

**Students:** Grow technical expertise with hands-on learning through AWS Educate Cloud Career Pathways and Badges.

**Educators:** Access AWS services, launch virtual classrooms, and gain curated cloud learning content and hands-on teaching resources to help students learn cloud concepts and prepare them for careers in the cloud.

To learn more about AWS Educate, [click here](#).

In the meantime, AWS Educate invites you to the AWS Educate Webinars for Educators ([click here](#)). This webinar series helps educators continue to build cloud skills. From Cloud Computing and Remote Instruction topics ranging from beginner to advanced levels, this series offers techniques for virtual instruction, content delivery, and student communications.

AWS Educate will also host a series of regional online workshops and webinars to help you continue to build cloud skills. This region-specific webinar series ([click here](#)) will have topics that range from introductions to Amazon Web Services (AWS) and AWS Educate, to a day in the life of an AWS solutions architect.

### Connect to our Global Community

ICPC participation lasts a lifetime! Discover some of the innovative ways the ICPC Foundation, ICPC Alumni, and ICPC Contest Leaders are engaging the ICPC Community.

ICPC Future - [ICPC University](#) & Regional training programs for students in primary through high school being developed in all ICPC Regions.

ICPC Curriculum - [ICPC University](#) supplemental training program being developed by some of the world's top coaches to share with our global community.

ICPC Outreach - [ICPC Foundation](#) gender and economic diversity programs for inclusion or underrepresented groups being developed worldwide with unique scholarship and training opportunities.

ICPC Training Camps - Nearly 40 [ICPC Foundation](#) endorsed camps are occurring in all 8 major ICPC Regions. Many camps will happen virtually this year, contact your [ICPC Regional Leadership](#) for more details about training camps in your area.
